

ABSEILING LEADERS COURSE
Nationally Accredited Training

The Abseiling Leader qualification course has been designed for people who wish to lead or guide others in abseiling activities. This course is perfect for outdoor education leaders, school teachers, military roping leaders, rescue team members, youth and adventure club leaders, and recreational abseilers and climbers.

As abseiling guides and leaders we know exactly what you need to run safe and fun abseiling adventures, we teach you all the skills and the tricks of the trade.

Our Abseiling Leader qualification contains three main parts – Vertical Rescue Skills, Abseiling Skills, and Leadership Skills.

Leadership Skills include these nationally accredited training units :

- Implement & monitor risk management policies & procedures for working at height.
- Train small groups
- Implement & monitor minimum impact work practices
- Plan & lead an activity involving work at height
- Coordinate emergency response in situations that involve exposure to falls from height.

Vertical Rescue and Abseiling Skills include :

- Equipment – Selection, Use, and Maintenance
- Anchor systems
- Belay systems
- Rigging
- Self rescue
- Abseiling Single and Multi pitch
- Rescue of others
- Vertical Mobility
